## United Way of 1000 Lakes 2018 Sponsorship Program

## SPONSORSHIP OPPORTUNITIES

Reach new audiences, increase your company's year-round marketing presence, and help meet your company's community mission by becoming a United Way of 1000 Lakes sponsor.

United Way sponsorship opportunities help raise awareness about United Way and uniquely position your company as a community leader—engaging your customers, vendors, employees and public alongside a recognizable and trusted philanthropic brand.

Sponsorships are an important part of United Way's community presence and allow us to do things that we normally wouldn't be able to do. Sponsorships are flexible, and we can tailor them to meet your marketing goals. Please consider these year-round or single-event sponsorship opportunities, each with multiple touch-points that reach your target audiences.

We understand that no two companies or organizations are alike, if the sponsorship opportunities presented here do not suit your business or philanthropic objectives, we would be pleased to meet with you to customize a package or develop new and innovative partnership ideas.

**For more information on becoming a sponsor, please contact our Community Resource Coordinator at 218-999-7570.**

## Annual Campaign Celebration & Best of Awards Thursday, March 22nd

The United Way Campaign Celebration and Best of Awards is held each year in March and highlights accomplishments over the past year, publicly recognizes companies for outstanding campaign achievements, honors outstanding campaign volunteers and provides an opportunity to learn more about the impact your contributions are making in our community. This event is attended by community business leaders, campaign volunteers, partner agency representatives, other volunteers and local media outlets.

In 2017, over 200 community members and business leaders attended the annual event at Timberlake Lodge Hotel.

## SPONSORSHIP OPPORTUNITIES

### United Way Day of Action Thursday, June 21st

The United Way Day of Action is held annually nationwide and promotes volunteerism. The day-long effort mobilized community members to take action in the communities in which they live. Projects range from gardening and painting to packing bulk food and creating care packages.

In 2017, over 100 community members took part and served a collective 582 hours, equating to more than \$14,000 in volunteer contributions.
